

Wisconsin Society of Radiologic Technologists
Secretary's Report
April 21-23, 2025
Dr. Chad Dall RT(R)(MR) DHSc
WSRT Secretary

Dear members of the WSRT,

It has been my utmost dedication to serve as your WSRT BOD Secretary. I have diligently maintained a record of all scheduled and ad hoc meetings throughout the year. I have made it a point to attend most of the meetings, ensuring the smooth flow of our operations. When circumstances prevented my physical presence, I stayed updated by watching the meeting recordings or arranging for another board member to fill in for my duties. The BOD meetings were facilitated using Microsoft Teams as its online meeting platform. The meeting minutes are securely stored on a shared Google Drive, accessible to all WSRT Board members.

I want to thank all of the board members and committees who have helped me during my continued tenure as secretary. We have continued to usher the WSRT in a positive direction throughout my tenure. This position is up for election this year, so a new board member may take on the role. I will work with the new individual (if needed) to share my duties and files that I handle.

Over the past year, I have actively contributed to the proposed revision of the WSRT's Bylaws. I helped with the Annual Conference/ Student Symposium by recruiting speakers, ensuring a diverse and engaging lineup. Additionally, I have overseen the Quiz Bowl, a highlight of our yearly Symposium, fostering a spirit of healthy competition among our students.

Respectfully submitted,

Dr. Chad Dall RT(R)(MR) DHSc

Bylaws Report
April 21-23, 2025
Marsha Jones RTR(M)
WSRT Bylaws committee Chair

Dear members of the WSRT

I have attended all board meetings and continue to be involved in our Annual Conference and our Fall Virtual Conference.

Chad Dall and Christina Smith attended The ASRT HOD Meeting as WSRT Affiliates and Bylaws were discussed in which it had been 5 + years since the last revision of the WSRT Bylaws and the need to align them with The ASRT Bylaws.

In February we had a WSRT Bylaws Ad Hoc meeting and edits were made to the proposed Bylaws for 2025.

Chad Dall submitted the proposed revisions to the ASRT and suggested edits were reviewed by Bylaws committee and revisions were made to The WSRT Bylaws and were put out for a vote by the WSRT BOD and was passed.

The proposed Bylaws were placed on WSRT website www.wsrt.net to be reviewed by the Membership of the WSRT within 30 days of WSRT Annual Conference to be held April 21st to 23rd, 2025.

I hope everyone takes time to review the proposed Bylaws as the WSRT membership will vote on the proposed Bylaws during a business session during the WSRT Annual Meeting on Monday April 21st.

I would like to thank all the board members who participated in the revisions to the 2025 WSRT Bylaws as it's much appreciated.

Respectfully submitted,

Marsha Jones RTR(M)
WSRT Bylaws Chair

Wisconsin Society of Radiologic Technologists
Member at Large Report
April 21-23, 2025

Kyle Wanie BS, RT(R)
WSRT Member at Large

Dear Members of the WSRT,

It has been my privilege to serve as a WSRT Member at Large for the past year. This was my first year in a WSRT supporting role, and I have learned so much. I have attended all board meetings, and I will continue to do so for the remainder of my term.

With input from the board, I personally designed a new WSRT logo that has a more modern touch. I have also been an active participant in designing our new website (www.wsrt.net). It has been a long process, but I'm very proud of the changes we've implemented. Thank you for your patience as we've been updating our website. We will continue to update our website and make positive changes for the WSRT and its members.

I would like to thank all the board members who have helped me this past year. I still have a lot to learn, but I look forward to growing as a board member and as a technologist. I would also like to thank our members who continue to support the WSRT and its mission.

I look forward to serving the WSRT and its members for years to come.

Respectfully,

Kyle Wanie BS, RT(R)
Radiologic Technologist, Diagnostic Radiology

Marsha Jones RTR(M)
WSRT Member At Large

Dear members of the WSRT

I have attended all board meetings and continue to be involved in our Annual Conference and our Fall Virtual Conference.

I also participated in the WSRT Ad Hoc Bylaws committee with the review and editing of proposed 2025 Bylaws which will be presented to the WSRT Membership at a business session at WSRT Annual Conference.

I wish to thank fellow board members for their continued support.

Respectfully submitted,

Marsha Jones RTR(M)
WSRT Member at Large

Wisconsin Society of Radiologic Technologists
Member-at-Large Report
April 21-23, 2025
Courtney Fields RT(R)(CT)
WSRT Member at Large

Dear members of the WSRT,

It has been my privilege to serve the WSRT as a Member-at-Large for the past year. During this past year, I have attended all WSRT Board meetings via teleconference and shared pertinent information with colleagues regarding the fall and spring conferences. While I was unable to secure a speaker for the conferences this past year, I did reach out to potential speakers and will continue to work toward recruiting speakers for future conferences. In addition, I have also worked closely with two other board members to revise the WSRT Bylaws. These revisions were submitted to the remaining board members for approval and shared with the wider WSRT membership for ratification.

Serving as a Member-at-Large has been an honor and I am eager to continue supporting the WSRT's Board's work moving forward.

Respectfully submitted,

Courtney Fields R(RT)(CT)
WSRT Member at Large
