All: this sounds like a great thing to join/promote/get involved

CS: recommend Fond du Lac ☐ this is where the ASRT originated!

11a-1p (this would match the Albuquerque start time)

CF: will help to find a location address start/end

MH: will sign up and create a WSRT group

5. Open Forum

MH: APNP attempts to administer Ionizing Radiation (fluoroscopy)

Dan Vander Meulen and Sandy Helinski heavily involved when this arose quickly

Bill got pulled at the last minute: multiple organizations oppose this Bill including WSRT, ASRT, ARRT, Anesthesia organizations, and more

Our dollars help to support these legislative efforts – there may be more to come

Sent 3, however only 2 were able to attend

Ideas to promote further:

Promote at our conferences

Promote through social media, short videos that share what the time commitment is and what you learned about, have students promote this internally to peers
